

2A Newsletter

April 11-15, 2011

Language Arts

We will be reading a biography, "My Name Is Gabriela." Our comprehension skills will focus on Cause and Effect and Using Graphic Organizers.

Phonics and Spelling

We will be working on the Vowel Variant /o/ aw, au (gh) and Inflections -es. Examples of the words are claw, fault, haul, crawl, lawn, sauce, paw, caught, and saw.

Math

We will be starting Chapter 18-Plane Shapes. The students will identify plane shapes and sort them according to their attributes.

Science

We will begin our unit on the Solar System. The students will be working in groups and doing several activities to help them learn about the solar system. Please see the letter that your child brought home today explaining the play dough.
