

# 2A Newsletter

## April 4-8, 2011

### Language Arts

We will be reading the story, "Where on Earth Is My Bagel?" Our comprehension skills we will be focusing on are Cause and Effect and Using Graphic Organizers.

### Spelling and Phonics

Our phonics skill will be the Vowel Variant /oo/oo, ou and the Prefixes dis-, over-, and pre-. Examples of the words are book, should, stood, crook, would, look, could, good, and shook.

### Math

The students will be identifying certain and impossible outcomes of events, likely and unlikely outcomes of events, and the likelihood of outcomes of events.

### Science

We will be reading about stars and constellations. We will soon be reading about the planets. The students are excited to learn more about the planets!
